Summary	Welcome wizard not have back button		
Severity	[blocker critical major <u>normal</u> minor trivial enhancement]		
Product	[website <u>mobile application</u>]		
Platform	[PC Macintosh <u>Smartphone</u>]		
OS	[Windows Mac Linux <u>iOS</u> Android]		
Browser	[Internet Explorer Mozilla Firefox Google Chrome Opera Safari]		

Description

If you go to search community wizard belonging to an existing community but you want to return in the last moment, the UI does not have a button for returning to home.

Fix

Adding a small button of back in the top left corner of the section if the user already belongs to a community.
