Summary	Welcome page background image not scale on high density screen resolutions		
Severity	[blocker | critical | major | normal | minor | trivial | enhancement]		
Product	[website | mobile application]		
Platform	[PC | Macintosh | Smartphone]		
OS	[Windows | Mac | Linux | iOS | Android]		
Browser	[Internet Explorer | Mozilla Firefox | Google Chrome | Opera | Safari]		

Description

Background city image represented on home page not scale to fill screen on high density screens.

Fix

Set repeat property to CSS responsible of displaying the image.
